

# **ESMÉ LAFLEUR**

## **TCBS MEMBER-AT-LARGE (RES)**

Members of college,

Over the past two years, I have come to love and cherish Trinity, as well as the wonderful people that contribute to it. We are lucky to be a part of such a rich community that encourages us to keep bettering ourselves, whilst ensuring that our beloved traditions remain. Non-levied clubs play an important role in keeping this balance. I wish to give back to this community by sitting on the Trinity College Board of Stewards as a representative of the student body for 2017-2018.

During my time here I have strived to be as involved as possible, by attending all TCMs this year, serving as one of Whit's Social Coordinators/Common Room Curators, as the publicist for the TCDS, as a TWIL mentor and lastly as the Mace Keeper/Seeker for the TCLI. These roles have provided me with ample experience to take on this position by allowing me to better understand the Trin student governance system, and how clubs have a positive impact on the student body.

I would love this opportunity to help improve the student experience at Trinity College.

Met' Agona,

Esmé J. Lafleur
