

Prime Minister of the TCLI - Andrey Khesin

So is there anybody present,
Who's not been to a Lit before?
Just come on down, I swear we're pleasant,
And seal the chamber, shut the door!
I want next year to be fantastic,
Our crew could not be more bombastic,
Debate this fierce must have support,
Such is the nature of our sport.
Keep reading then, my friendly feller!
If thou dost seek TL; DR,
I pause, I smile, I puff cigar,
A classic: Bubbly will be stellar!
Champagne will flow, it will be grand!
I thank you for lending a hand.

In my unwavering devotion,
I will remain all resolute,
The epicentre of emotion:
Trinity College Institute.
So come next year, and do some speaking!
Nothing internal will get out,
No hidden secrets come about,
Until from JCR starts leaking.
And so let's let the jokes run merry,
Who'll strike with might, and who will parry?
We'll always have jokes like none other,
Utmost respect for Speaker's mother.
With the support we're drumming up,
Government business, coming up!
