

Maria Athanassoulis

Treasurer of the TCVS

Dear Members of College,

I would love to be your Treasurer of the Trinity College Volunteer Society. If you don't know me, I am a first-year student in Rotman Commerce with a passion for philanthropy. The Volunteer Society is an extremely important club because helping others and giving back to the community creates lasting impact.

In the short amount of time I have been here, Trinity College has made a significant impact on my life. From the second week of September, I have played an active role in the Trin community. I am currently the Female First-Year Head of Res and a member of the Finance Committee. I am also on the TCVS as a project head which is why you see me posting on the Trin Facebook page about Sunday morning volunteer opportunities.

Treasurer of the TCVS is the perfect role for me because what better way to merge the TCVS with the Finance Committee? As the treasurer, I will ensure all finances are accurate and up to date. I will ensure we are within budget and that reimbursements are made in a timely manner. I will also prepare audits at the end of each semester to keep all payments and receipts organized.

Thanks for taking the time to read my position paper and for considering me as your Treasurer of the TCVS!

Met'agona,

Maria Athanassoulis
