

TCBS Member-At-Large - Kendra Dempsey

Members of College,

The Trinity College Board of Stewards has an important role in college life, from passing club and event mandates, to designing to social calendar for the academic year. Trinity's governance needs to be accessible and accountable, in order to provide incredible opportunities for all students. As a TCBS member-at-large, I would aim to make this happen.

I am extremely familiar with Trinity's governance; I have previously sat on the TCBS, as well as Finance Committee. This provides me with experience in how these systems work, and I would use said experience to help Trinity students better understand our governance system and successfully approach the TCBS. Furthermore, I have co-chaired Saints Ball and have sat on a Frosh Week Executive as a sponsorship coordinator, which has taught me a lot about event planning, management, and governance at Trin. I have additionally been on the executives for both levied and non-levied clubs at Trin (TCVS, TASAH, the Lit, TWIL); these positions have provided me with wonderful leadership opportunities. I believe these experiences will make me a strong addition to the Board of Stewards for 2017/2018.
