Members of college,

I like the lit.

I procrastinate @ the lit.

I have more beer than I should @ the lit.

The Lit is lit.

I believe I can keep the lit lit.

I stole the mace a few times, it was lit.

I won a thing last year for saying lit things @ the lit.

I can find lit people to speak at the lit.

Me being lit - circa catholic school 2003 -

Yes I used Comic Sans, no I don't regret it.

Feros Cutltus Voce Formare,
