

Florian Nagy – Third Year Male Head of Non-Residence

Members of College,

It has been my pleasure over the past year to serve as your Second Year head of Non-Residence. I hope that I have been able to assist the larger NRAC executive in reaching out to and engaging with commuters, in addition to performing my duties as a second year head. Non-residence students make up the majority of students at Trinity but unfortunately are often underrepresented at Trinity events and in the Trinity community.

I believe that in this capacity NRAC offers a welcome solution. It is a homey space where commuters can come to stay as a waypoint during their day. I want to help make it a warm and welcoming space, where commuters can bridge the gap between their life without and within Trinity. I want to help continue this year's policy where advance notice is given whenever there will be food at NRAC, exclusively for non-residence students. This helps bolster commuter attendance to Trinity events like the TCM.

I have been a commuter for both of my years at Trinity, and have been involved with Trinity and the greater U of T community, in things like intramural volleyball, and hart house debate. I wish to continue my involvement in the NRAC executive and ask for your support to make it possible.

Met'Agona Stephanos
