

Finance Committee Member-At-Large - Kendra Dempsey

Members of College,

Each year, Trinity students pay an abundance of fees, in order to fund what should be exciting, important and inclusive opportunities for all members of college. Designating such a volume of student fees is not to be taken lightly, and requires a vast knowledge of how the finances of this college operate. I believe I bring this to the table, which is why I hope to work on Finance Committee this year.

At Trinity, I have become extremely familiar with how our governing bodies operate, especially in regards to finances. I have sat on Finance Committee twice previously, and have a deep understanding of how our Fiscal Policy operates. This also means I'm familiar with the previous successes and failures of Finance Committee, which can help guide the committee to making successful fiscal decisions in the upcoming year. Additionally, I have managed budgets successfully within Trinity as the Saints Ball co-chair, and treasurer of the TCVS. I have additionally displayed organization, quick-thinking and leadership through my positions on the TCVS, TWIL, the Lit, and TASA.

We all pay the same (exorbitant) student fees, and all Trinity students deserve to know how our money is being spent, and Finance Committee must be held accountable for their decisions - I would like to help make this happen.

Met'agona,
Kendra Dempsey, 1T8
