

Aisha Ryan – TCM Secretary

Hi Friends,

As you (may) know, I ran unsuccessfully for the position of Head of College in Week 1 Elections. While I will not be serving the Trinity community as a Head, I would still like to continue contributing to our college in the way that I know best – through governance.

I have had the opportunity to serve on a number of the TCM's standing committees, including the Trinity College Board of Stewards and the Student Capital Campaigns Committee for two years each, among many other clubs around Trinity. I have an understanding of the major impact that college governance can have on the student experience, and the responsibility that comes with ensuring that student levies paid to the TCM are used for the good of all Trinity students.

I hope to continue the work that this year's team has done in making the TCM more accessible. Creating primers, reducing jargon, and making the TCM an inclusive activity where first years and those who are not familiar with Trinity governance can feel welcome are some of my priorities. In my Heads Forum I promised to meet individually with bodies such as the TCCSA and NRAC to explain how the TCM works, allowing typically disenfranchised demographics of our community to feel confident in engaging with the TCM, and I hope to do this as TCM Secretary as well.

Thank you for your consideration,

Met'Agona,

Aisha ☺
