

Hi Trinity,

I hope to be the treasurer of NRAC for the 2017-2018 year. This past year I was NRAC Treasurer, managing the \$14,000 budget. I learned a lot during my tenure as NRAC Treasurer, gaining a good understanding of the roles and responsibilities the position entails. I effectively worked with the Heads of NRAC to establish a budget for the year, completed organized audits and attended Finance Committee meetings regularly. I strongly believe my experience sets me apart from other candidates.

Additionally, I have been involved financially with other clubs at Trinity and beyond. Through serving as Vice President of the Pre-Law Society this year, I budgeted for panels and worked with our Treasurer to gain potential sponsors for our club. Additionally, at Graham Library, I work as a student assistant, requiring me to complete cash counts and handle financial transactions.

Through both my academics and my extracurricular activities, I have been able to manage my time well and work collaboratively with others to produce achieve a common goal. I am excited to have the opportunity to work with the Heads Team and members of the Finance Committee to successfully manage NRAC, and more broadly, Trinity College finances in a responsible manner.

I also believe in the importance of NRAC. As part of the Non-Res community, I see the divide between Non-Res students and the rest of the college. Through working with NRAC, I hope to alleviate this divide and ensure a positive space for the Non-Resident community.

Met'agona,
