

# Ali Asrani – TCM Treasurer

Members of College,

One of my primary reasons for choosing Trinity College was because of its direct democracy, which I have appreciated over my 3 years here. This form of governance requires officers to run it, and I would be delighted to serve as one of these officers. The role of TCM Treasurer intersects governance and finance; the two areas where I have the interest and skills to do a successful job.

While at Trinity I have shown great commitment to TCMs and student governance in general as I have attended nearly every TCM and UTSU AGM despite 90 minute commutes in my first 2 years and the lack of an official position. Attending these meetings has allowed me to gain an understanding of Trinity governance which I would be able to bring to the table as TCM treasurer.

As a third-year Accounting Specialist and Economics Major, I have extensive experience in financial activities as well. I have worked as a bookkeeper in high school and as an H&R Block Tax Professional in 1<sup>st</sup> year. Since February 2016, I work as a Canadian and US Tax preparer at American Expat Tax Services preparing taxes for clients with cross-border implications.

As Treasurer, I would like to increase transparency and accountability to students via various fiscal policy amendments.

Thank you for taking the time to read my position paper. If you have any questions, please feel free to contact me at [ali.asrani@mail.utoronto.ca](mailto:ali.asrani@mail.utoronto.ca).

Met'Agona Stephanos,

Ali Asrani
