

Molly Cong

TCM Auditor Candidate

Dear Members of College,

Let's talk auditing. Though not the most glamorous of tasks, the auditing process is extremely vital to ensuring that the TCM and all other Trinity student organizations run efficiently using the student funding that they receive.

I believe that I would make an excellent TCM auditor as I have the experience for the job and the enthusiasm to carry forth new initiatives to maximize the possibilities of transparency and efficiency.

Having co-chaired the 134th Conversazione, I have experience creating clear and detailed budgets and maintaining careful and accurate financial records. Through Conversat, I've had the opportunity to manage a large budget, which remains financially secure after the event. I have practical knowledge about how to maintain surplus budgets and feasible tips to help clubs that may be struggling with organizing their finances.

Through my participation not only with Conversat but various other campus executive groups, I have developed a strong understanding of the role of treasurer and I will strive to work in a cooperative and fluid capacity with the TCM chair, secretary and most importantly, treasurer.

Thanks for making it to the end of my position paper! If there any questions I'd be happy to chat over email (molly.cong@mail.utoronto.ca), Facebook or in person.

I appreciate you for considering me for this opportunity and I would be very excited to work with you all!

Met'agona,

Molly
