

Hi everyone!

My name is Michael Morris and I'm running for the position of Second Year Head of Residence. I've been an active member of the Trinity community throughout my first year, regularly attending (and occasionally speaking) at the Lit, participating in governance at the TCM, and attending almost all of the major social events. When you walk into Strachan and look immediately to your left, chances are you'll see me there!

If you don't already know, some of the responsibilities of this position include organizing the events of Trinditions week (the Midnight Run, Cake Fight, etc.) as well as high tables, including Thanksgiving and Christmas High Table. I believe I'd do an excellent job of serving the Trinity community through this position by making these events more accessible to students. This year the sign-ups for both Thanksgiving and Christmas High Table were incredibly hectic, and requiring students to line up in person for tickets with only two available time slots prevented many students from being able to attend. With my fellow second year heads, I plan on working with the Dean's office to have the same online signup as other Trinity events, while still reserving a set number of spots for each year. In addition, we could expand Thanksgiving High Table into Seely Hall, and Christmas High Table into the Combination Room to allow more students to be able to sign up. Thanks so much for your time, and remember to vote in week 2 and 3 elections!
