

## Kitty Condon for Senate Representative

Dear Members of College,

I believe I possess both the drive and commitment necessary to fulfill this role. I would relish the opportunity to be elected one of your Senate Representatives.

Being from London and having grown up in Barbados Trinity is my home away from home and if elected I look forward to bringing my international perspective and your ideas to Trinity College Senate discussions.

I will work towards making sure that the budget allocation is balanced while keeping Members of College up to date with Senate recommendations made to the Board of Trustees. I will endeavor to diversify the academic focus through encouraging more events and resources across a broad spectrum of subject areas. Through my candidacy for Female Head of College I have learnt a great deal from listening to concerns and feedback from my peers.

Through the various positions I have held on campus I have acquired time management and effective communication skills required for this position. Such roles include Collegiate-Alumnae Relations Chairwoman at my Sorority, Co-President of the Trinity Teetotaler's Association, Sober Patrol Volunteer, Munk One Mentor, Model UN Delegate, TCES First Year Representative and Fundraising Liaison. I have a passion for environmental sustainability and am a recipient of this year's Douglas H. Pimlott Award.
