

Emma Norman – TCM Secretary

Members of College,

The Trinity College Meeting is essential to the functioning of our college, and a huge part of what makes Trinity so unique. In my time at Trinity, I have seen it give students the space to bring about the changes they want to see in our community. However, direct democracy has its challenges, and the TCM needs an executive that confronts these challenges head on. As TCM Secretary, I will commit to working hard to make the TCM as inviting to its members as possible.

I believe I am a qualified candidate for this position because of my experience with both the TCM and with secretarial work. I have attended most TCMs within the last two years, and was elected as a Member-at-Large of the Honoraria Committee for the 2015–2016 school year. I have also served in various secretarial positions, including two years as secretary of the Arapahoe High School Drama Club. I am skilled at taking minutes, maintaining web pages, and advertising events.

As secretary, I will work to ensure that the TCM is accessible and comprehensible to all, including those who are unable to physically attend. The great thing about direct democracy is that everyone is included. With my fellow executive members, I would like to increase participation at the TCM from residents, commuters, and international students alike.

If you have any questions or comments about my candidacy, please contact me at emma.norman@mail.utoronto.ca.

Met'agona,

Emma Norman
