

Darcy Taylor

Secretary of the TCVS

Members of College,

My name is Darcy Taylor and I am a second-year student running to serve as Secretary of the Trinity College Volunteer Society. I believe that the TCVS is one of the most important clubs at Trinity College. As Secretary, I would enthusiastically work with other executive members to continue and expand its activities.

Having previously served as First-Year Representative, I have been involved with TCVS programs including community cooking, the PATH clothing drive, and a symposium event. Moving forward, I believe that the TCVS should aim to offer additional group volunteering projects, help connect students with volunteer opportunities off-campus, and continue to develop productive relationships with other student-groups. As Secretary, I would be interested in facilitating frequent TCVS meetings with members and other relevant student-groups to share experiences, discuss opportunities, and develop concrete volunteer plans for students. I would also maintain connections with outside organizations in the GTA to stay aware of potential volunteer opportunities.

In addition to my previous executive experience with TCVS, I have also served as an executive member for the Saints Charity Ball and as a Youth Outreach Officer for the Canadian Centre for the Responsibility to Protect. Additionally, I continue to lead various volunteer and charitable fundraising projects in my home town of St. John's Newfoundland. In the GTA, I serve as a weekly volunteer with the Regent Park Community Food Program and the Native Canadian Centre of Toronto. If elected, I would draw on these experiences to help the executive continue the excellent expansion of opportunities that has taken place this year.

Thank you so much for your consideration and please do not hesitate to contact me (darcy.taylor@mail.utoronto.ca) if you have any questions!

Met'agona,

Darcy Taylor
