## Secretary-TCES

Members of College,

My name is Emily Neeson and I am running for the position of Secretary of the Trinity College Environmental Society. I am currently a second year student majoring in Political Science and Environmental Studies and I am involved at Trinity through a number of clubs and organizations. This past year, I served as the Secretary of the Trinity College Volunteer Society as well as a member-at-large of Rainbow Trinity. I am very passionate about the environment and take part in a number of UofT wide clubs that pertain to environmental issues such as the University of Toronto Environmental Journal.

As secretary, I would work to improve communications so Trinity students are always aware of events taking place and use the TCES to promote campus wide initiatives. I also believe successful events such as keep the cup campaign should be extended past Quad Party.

I want to share my love for our planet, and I believe my previous experience would be beneficial in this role.
