

Members of College,

My name is Syndi and I'm running to be Co-President of Trinity College Athletics (TCA). I am passionate about sports and living an active, healthy lifestyle AS WELL AS ensuring that student funding is spent appropriately. So here I am.

My past involvement in the club includes being Secretary in my second year and Treasurer in my third year. As Co-Captain of Intramural Women's soccer, I have an understanding of the funding needs for a sports team that are (and aren't) fulfilled by TCA. Sitting on the Intramural Sports Council (ISC) this year has given me knowledge of Trinity's role in the intramural community and additional information on what UofT has to offer. Being involved in this capacity, as well as seeing through the amalgamation of TCAA & SHAA last year, has given me a wealth of experience in ensuring TCA functions smoothly. I think there are several things we do that are pretty on point (eg. The Athletic), but there is always room for improvement. Some areas we could improve upon include making Trinwear more affordable, asking for and integrating input from intramural players and captains, and promoting UofT-wide activities (sports tournaments and events, wellness activities at Hart House and Goldring).

My experience with and commitment to TCA and athletics at Trinity make me an ideal candidate for the Co-Pres position.
