

Faiyaz Lokhandwala

Treasurer of Trinity College Athletics Association

Members of College,

My name is Faiyaz Lokhandwala, currently the first year rep of the TCAA. I am a Varsity athlete and have won the Intramural championships for rugby as well as lacrosse while leading our inaugural dodgeball team into the playoffs. Most of you know what I am all about, my work ethic and my ethos in life.

For those of you that do not, to put it simply sport and the promotion of a healthy lifestyle is what I live for. The foundation of my life revolves around both mental and physical development while inspiring others around me to do the same.

Being the Treasurer of the TCAA is a very critical role to any Trinity Athlete. I would be in charge of the budget for Trinity Intramural sports, which allocates funds in order to provide jerseys and registration fees for all of your various different sports and tournaments. Furthermore, allocating funds for the Athletic will also be a critical part of my job in order to make it even more LIT than this year!

I very much believe I am fit for this role due to my passion and commitment towards the Trinity Athletics program in order to see all Trinity Athletes flourish in their respective sports. I would love to answer any questions you have, feel free to ask me anything at faiyaz.lokhandwala@mail.utoronto.ca

Cheers!
