

Abby Lendvai – TCBS Member at Large (Non-Res)

Members of College,

The TCBS is an important component of the Trinity College community, providing a forum for members to discuss student life and make appropriate recommendations to the TCM. As a proud member of the Trinity College, I would love the opportunity to serve the College as a non-residence member of the TCBS. I hope to contribute my event planning and non-residence living experiences, and help to make the TCBS a positive and welcoming experience for all members of college.

I believe I am qualified for this position having served as a first-year representative for Conversat, Co-Chaired the Nightmare Before Saints Ball, and am currently a staff writer for the Salterrae. My first introduction to the TCBS was as a first-year nervously presenting a proposal for Saints Ball. Thus, I understand how daunting it can be to stand before a table of your peers and I want to make a concerted effort to help students feel comfortable at the TCBS. I also served in various student government positions in high school, am a student librarian at the John W. Graham Library, and have developed strong organizational and time management skills.

Thank you for taking the time to read yet another position paper! I hope you will give me the opportunity to make the TCBS a friendlier and more welcoming place.

If you have any questions or comments about my candidacy, please contact me at abby.lendvai@mail.utoronto.ca.

Met'agona,

Abby Lendvai
