

# AVNEET SHARMA FOR PRIME MINISTER

Members of College,

For those of you who I have not had the pleasure of meeting yet, my name is **Avneet Sharma** and I'm excited to announce my candidacy for **Prime Minister of the Trinity College Literary Institute**. My hobbies include writing, shapes, feelings, and having sexual fantasies involving Truman Capote.

**Courage, determination, and self-deprecation** are all traits that I believe are essential for this position. I am confident that I have consistently demonstrated each of these traits throughout my time at the TCLI. I have been **courageous** in admitting the mistakes I've made, **determined** in improving upon the mistakes I've made, and **self-deprecating** when I inevitably make the same mistakes again.

Needless to say, mistakes have been made. However, I guarantee that running for this position is *not* a mistake. As Prime Minister, I can ensure that laughs will be had, beer will be drunk, an effigy will be burned, **Bubbly will be legendary**, and tender moments will be shared.

## **Previous experience:**

- debated multiple times for the TCLI
- First-Year Trophy Nominee (we're cool now, Harry)
- Mace-Keeper of the TCLI
- The 133rd Conversazione executive
- Nightmare Before Saints executive
- Wrote the critically acclaimed article "J.D. Salinger, Please Fuck Me"

I am determined to uphold the excellence of the TCLI no matter the obstacles (e.g. administration, Harambe, sex scandals, etc.).

**Feros Cultus Voce Formare,**

Avneet Sharma
