

Members of College,

My first year at Trinity has been a wonderful experience, and I want to give back to the community that welcomed me so unconditionally by being your TCM Secretary for the upcoming year.

This year, I've had the pleasure of being your First-Year Representative for the wildly successful 134<sup>th</sup> Conversazione. Outside of Trinity, I've also served as a First-Year Rep for both the University of Toronto Pre-Law Society and the Association of Political Science Students. Furthermore, I served as a Logistics Officer for UTMUN. These experiences taught me skills in communication, organization, and time management that are required for this position.

We have such a unique opportunity as students to directly impact how our college is managed. It is important to me that students who are not able to attend meetings still have the resources available to impact decisions. Furthermore, it is important that students feel free to raise questions or concerns about the TCM regularly. Creating a bigger social media/online presence for the TCM that allows for a forum of constitutional or governance questions would be extremely beneficial to all members of college.

Although I didn't have the opportunity to attend many TCMs this year (darn you ECO100), I want to continue furthering my leadership at Trinity, and I hope you choose me as your TCM Secretary to cultivate a more organized, accessible, and efficient student governance. Also, I'm great at taking notes!

Met'agona,

Emily Chu
