

Ruth Magee

TCBS Member at Large

Can you tell I attend a lot of Trin events yet????

Hello Members of College,

My name is Ruth Magee and I am running for to be an on-residence Member at Large for the TCBS. I have been very socially involved during my time at Trinity and have attended all the main events. I believe I am a great fit for this position.

The position includes determining the social calendar for the 2017-2018 year, passing club mandates, and endorsing Saints and Frosh Week proposals. The TCBS has also been responsible for producing documents outlining the expected duties of elected positions at the college. This information was not entirely clear and readily available during this current election, which is something I hope to improve on.

As a TCBS Member at Large I hope to serve the college's best interests.

Met'agona,

Ruth Magee
