SYDNEY BRADSHAW FOR TCM WEBMASTER!!!

Hey Trinity!

It's me, your friendly neighbourhood graphic/web design nerd. I am running to serve as TCM webmaster for the 2017-2018 year.

~ Why you should vote for me ~

Experience / skills

I am a professional freelance graphic / web designer with 6+ years of experience. I am fluent in HTML and have a knack for responsive & visually-pleasing interface design. Also in high school I ran a tumblr with 10,000 followers, nbd. \(ツ)/\(ツ)

Community involvement:

I am actively involved at Trin and know the ins and outs of the TCM and community in general. As this year's JCR curator, I have a proven track record of communicating with members of the Trinity community in an organized and efficient manner.

Ideas:

- relocation of site to a new host / overhaul of current layout to increase functionality and site's overall aesthetic
- create a stronger social media presence for the TCM
- increase information available on Trin Life for students who don't use Facebook
- use photographs, videos, graphics, and other multimedia (eg galleries for event images, archiving of issues of the Salterae)
- frequently updated social and academic calendar

See you on the world wide web!!!!
