About me

I'm in second year, currently majoring in Psychology with a minor in Sociology and Philosophy. I come from the thriving metropolis that is Midhurst, Ontario — a town that has more turtle crossing signs than traffic lights. Over the past two years at Trinity College I've gotten increasingly involved and have come to appreciate the uniqueness of the traditions and opportunities that our college has to offer.

If elected third year head, I will use my position to:

- ♦ Improve advertising for special high tables by making sign-up information available in the Buttery and Strachan instead of just on Facebook
- ♦ Work with the Heads of College and Food Advisory Committee to improve the quality of food served at high table (so it is at least on par with regular dinner quality)
- ♦ Give fair support to mandates from clubs that represent a wide range of interests while sitting on the TCBS

Speaking from experience, I know how it can seem difficult to get involved at this college. If elected third year head, I would do my best to encourage those who don't already to use the resources available to them to get informed and involved. As third year heads play a role in organizing special high tables, and mandating new Trinity Clubs I would be provided with the opportunity to do this.

Thanks for taking the time to look at my position paper. If you have any questions or concerns feel free to contact me via email or on Facebook.

Met' Agona Stefanos,
Jessica
