

Aceel Hawa

TCM Secretary

Members of College,

It goes without saying that the TCM plays a foundational role in our student life – ensuring our democratic meetings are organized, welcoming, and accessible is a necessity for a system that works. That is why I am proud to be running to continue the strong legacy of Jaclyn, Leila, and Magi next year, by serving as your TCM Secretary.

My vision for Trinity governance is one in which meetings and their agendas are advertised publicly and well in advance, giving our members time to understand the issues at hand and reach out with questions. I hope to work towards TCMs that are open and accessible – demystifying technical jargon, ensuring the availability of snacks, and having clear, concise meeting minutes. If elected, I will keep very organized files and quickly update our governing documents post-amendment; I will work hard and be diligent in the role.

By way of experience, I've sat on a variety of Trinity governance bodies, including two years on the Student Capital Campaigns Committee. In these roles, I've had the chance to more deeply understand the Trinity Constitution, which is central to this position. I am also open and approachable – I have served as a Head Frosh Leader and on the executive of the Saints Ball. I will bring this spirit to my work.

Thank you so much for considering me and please do not hesitate to reach out (aceel.hawa@gmail.com) with any questions!

Met'agona,

Aceel Christina Hawa
